June 17, 2011

Dear Property Management Company:

The Rhode Island Service Coordinator Collaborative (RISCC) 2011-2012 membership period will begin September 1, 2011. The membership dues will support the continuity of RISCC as a professional organization of RSCs. Sixty-six out of approximately one hundred RSCs working in RI have become members since September 2009. Management Companies can continue to write one check a year per RSC and be assured that all training and re-certification needs will be taken care of.

The annual fee will remain at \$120.00 per RSC. The membership will include:

- Attendance fee for all RISCC trainings
- Annual re-certification review and processing
- Certificates
- RISCC ID Badge

Please make out and send checks and membership forms to:

RISCC
P.O. Box 9012
Pawtucket, RI 02862

Fees for non-members will remain at \$25 per each educational workshop, \$75 for a new RSC certification and \$25 for annual recertification. Membership in RISCC will produce a significant savings per RSC for Property Management Companies. Please see the attached "RISCC Membership Rules and Benefits" sheet for further details.

Finally, in conjunction with Rhode Island Housing, and according to HUD RSC training guidelines, we pledge to continue to provide RSC educational programs that will keep RSCs well informed and able to provide the best services for your housing populations. We hope that you will enjoy supporting your RSCs as a member in partnership with the RI Service Coordinator Collaborative.

Sincerely,

*The RI Service Coordinator Collaborative
Board of Officers.*
